All right all of you **PA WHITETAIL ARCHERS...**

You're all familiar with the Monster Bucks of Pike County, Illinois, **RIGHT?**

" WHAT'S A HUNT LIKE THAT COST... LET'S DO THE MATH "

It's over 600 miles and takes 12 hours to get there. That's the best part of a day!

Your truck gets 15 MPG... 40 Gallons @ \$4.

That's \$160 Out... \$160 Back... \$160 Runnin Around out there... **SO LET'S COMPARE**

	ILLINOIS	OHIO
GAS	\$480	\$150
LICENSE	\$465	\$164
MOTEL	\$350	\$175
OUTFITTER	\$2500	\$500
TOTALS	\$ 3795	\$ 989

Looks to me like you're gonna need a home equity loan or line of credit to hunt Illinois.

Or maybe you could sell that old *Motorbike* you got shoved in the corner of the garage. What with all the overtime you been workin' and with it raining every day you get off, your bike hasn't been fired up in two months anyway.

And whatever you do, don't let the "**Queen of Your Castle**" find out what you're paying to hunt cause your head might be the next thing mounted on the wall.

Oh, and what if you **Can't Go...**

fell and broke your arm; kidney stone; mother- in -law's funeral?

You're not getting that \$1,200 deposit back. **IT'S NON-REFUNDABLE!**
